WARNING

Failure to follow these warnings and instructions could result in serious injury or death.

SUFFOCATION HAZARD – Babies can suffocate if used improperly or without supervision.

Always keep baby's face free from obstructions. Do not allow product to cover baby's face. Allow room for ventilation.

Regularly check that baby is not overheated, even in colder temperatures.

Always keep child properly secured by harness while in infant car seat. Footmuff is not a restraint.

Follow these instructions and PIPA series infant car seat instructions for proper use.

Use **ONLY** with a PIPA series infant car seat.

DO NOT use footmuff on infant car seat only installation using vehicle seat belt. Footmuff is to be used with infant car seat on base or lower anchor installation only.

Check that the footmuff is secure by pulling up gently on the footmuff.

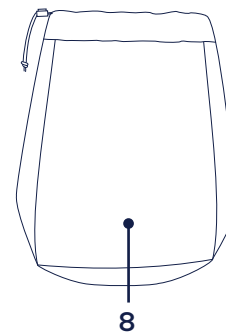

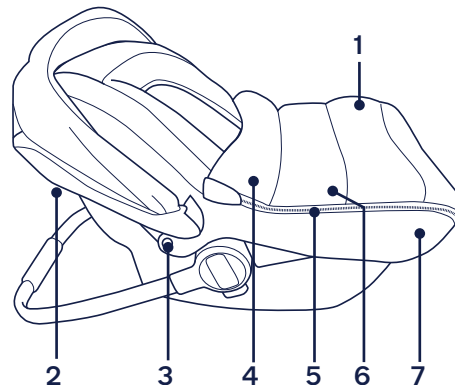

A child's safety is your responsibility. Always provide the supervision necessary for the continued safety of your child. Never leave your child unattended.

Do not use if any part of the footmuff is broken, torn, or missing.

Parts List

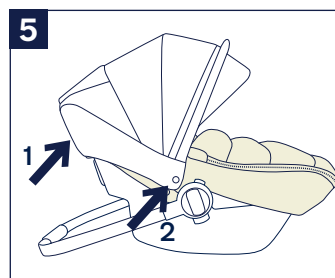

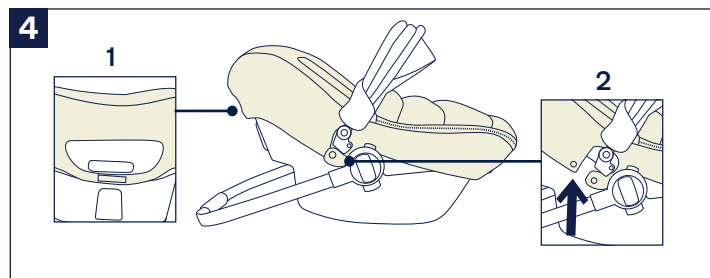

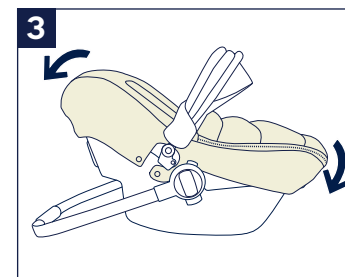

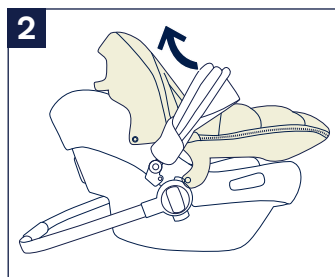

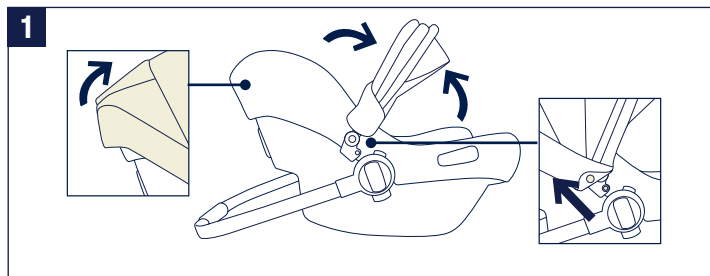

Make sure all parts are available before assembly. If any part is missing, please contact Nuna (see page 4 for information). No tools are required for assembly.

Cleaning and Maintenance

Refer to the care label attached to the soft goods for washing and drying instructions.

It is normal for fabric to color from sunlight and to show wear and tear after a long period of use, even when used normally.

Check regularly if everything functions properly.

If any parts are torn, broken, or missing, stop using this product.
